RE: Richardson Flat OU-2 Quarterly Status Report for April through June 2012

Dear Ms. Hernandez,

This Quarterly Status Report details site activities conducted at OU-2 of Richardson Flat (Site) for April through June 2012.

Sampling Activities Conducted:

Two surface water samples were collected in OU2 as part of a larger Silver Creek watershed survey on 5/15/2012.

Results:

Details of results and sample locations can be found in the attached image and documents.

Other Activity:

Continuation of work on the OU2 SAP and negotiation regarding OU2 project plans.

Planned Activities: July through September 2012

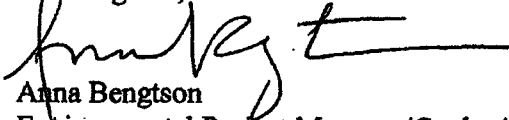

Further review and progress on items noted above.

Field activities will be conducted to generate further information to fill in any existing data gaps for this area.
